

THE CHURCH GREEN WINE LIST

“A meal without wine is like a day without sunshine.”

Jean-Anthelme Brillat-Savarin, ‘The Physiology of Taste’ (1825)

A few small amendments were made since we first opened our doors to you and we have now rebranded as *The Church Green British Grill* after listening to what you wanted. We have also bespoke an impressive wine list from all over the world and include a list to complement our dishes.

Our wine menu has been carefully selected to bring you award winning wines from around the world and a range of grape varieties to suit all palates and preferences. Hundreds of the world’s most respected wines have been sampled and a select few have been hand-picked from the very best producers and regions.

We believe the wine you choose should complete your dining experience with us. Therefore we have organised our list by each wine’s style and profile. This arrangement will hopefully allow you to select an appropriate selection which will complement our dishes.

Enjoy!
